ALFABET Aa - Åå

Alfabet vendespil til øvning af store og små bogstaver. Hele alfabetet er her, men da dobbeltbogstaver fra A - å er mange, så er spillet delt op i to med hver deres bagside. Fra A - n og fra O - å. Er der bestemte bogstaver, du har brug for at få øvet, så må du printe dig ud af en ens bagside.

Kan også anvendes til Quiz og Byt, et værksted eller en station.

Husk dobbeltprint.

God fornøjelse
