

Gangeaktivitet

Gangeleg til øvning af tabeller.

Laminer gangeark, kort og brikker.

Der anvendes et gangeark ad gangen. Træk et kort og læg det på den tomme plads. Gang de to tal, og en brik lægges på resultatet.

I stedet for kort kan f.eks. anvendes spillekort. I stedet for brikker kan evt. anvendes knapper, perler, centicubes eller lignende.

God fornøjelse
